

# Where next?

Join us and shape the future of travel

Shaping the future of travel has always been important to us at Amadeus. Today, with technology getting smarter by the minute, that future is more exciting than ever.

At Amadeus, we have the chance to make a difference for millions of journeys worldwide because we work at the heart of the global travel industry.

The company's main centre of R&D & Product Marketing is in Sophia Antipolis where our high-tech excellence has its roots.

It's also here that we develop tomorrow's solutions for the travel industry.

We are driven by a passion for 'Where next?'

If you want to shape your career and the future of travel,

Amadeus is the place for you.

# Amadeus is looking for...

## Product Development Analyst

At the heart of the **French Riviera, in Sophia Antipolis**, you will join an exceptional and multicultural site, where more than 3,000 people from more than 60 different nationalities work together every day.

Within a multidisciplinary team, your role will be to:

- **Analyse business requirements submitted by Product Management**
- **Elaborate functional specifications**
- **Deliver test plans and test scenarios**
- **Interface with relevant departments to identify interaction with other Amadeus Solutions and assure functional compatibility**
- **Carry out the functional walk-through of the product with the Development team and Product Management**
- **Interface and communicate with Product Management and customers during functional specification, testing and initial implementation phases as necessary.**

As a recent **University or 'Grande Ecole' graduate**, or with a first professional experience, you have **good IT knowledge**. Any **UML and Test Tool Server knowledge is a plus**.

Experience in **Graphical User Interface design** would be appreciated.

As part of **international teams**, you will be **communicating in English**. You are **flexible**, thorough and proactive, as well as having analytical skills and technical expertise.

We offer a **competitive package** with **outstanding benefits** and an **attractive work environment**.

**We hope to welcome you soon!**
